August 2021

Dear Parents/Guardians,

The health and well-being of your child is of utmost importance to us at Faith Lutheran Preschool. We ask that **all staff, parents, and visitors wear masks while in the preschool facility**, regardless of vaccination status. Faith Preschool staff are fully vaccinated.

The CDC guidelines and the American Pediatrics Association (APA) guidelines states that all children older than 2 years, and all school staff should wear face masks at school. An added benefit to universal masking is the protection of children and staff against other respiratory illness.

Our enhanced health and wellness protocols include:

- Repeated disinfecting/cleaning of “high-touch” surfaces throughout the school day and in the evenings (including desks, doors, public spaces, and bathroom fixtures)
- Frequent and thorough handwashing by students and staff, actively encouraged throughout the school day
- Ensuring all staff and students who are feeling ill stay home until they recover

If you have any questions, please do not hesitate to call or email me.

Thank you,

A handwritten signature in cursive script that reads "Sharon Franklenfield".
